

## TIPS FOR YOUR SUBMISSION

KNOW YOU ARE ELITE AND WANT TO BE, BUT HAVE NOT BEEN, RECOGNIZED THROUGH AWARDS AND CERTIFICATIONS - HERE ARE A FEW WAYS TO SHOW US THAT YOU ARE ONE OF THE BEST:

**Artists:** Provide us with various pieces of your artwork (at least 4 images), give each art piece a name, description and, of course, your signature:).

**Athletes (includes extreme sports):** Show comparable stats against other top players on your level. Go online and search for websites (i.e. MaxPreps) that accumulate athletic stats for high students all over your county, Florida and the US.

**Academia:** Can provide us with your grades, pictures of projects completed with descriptions; and your standings in the class.

**Musicians:** Can provide small video clip (1-2 minutes long) of a performance. Doesn't have to be a video of you performing at a concert. If you play multiple instruments send those in as well. You can just turn on your camera, record, save and submit.

**Top Gamers or Techies:** Can show us what they've created, games they have conquered with comparable stats vs U.S. players, etc...

If you are good with your hands: You can send in a video of what you have built/created and provide us with a description of your submission.

**Last but not least, submit clear documents, images and videos.**
